

Over the next six months, our parish will be looking at the Acts of the Apostles. The book will appear in our preaching and in various forums for discussion. Each week, a section of Acts will be introduced with a short article which will be published on the parish website, and available for you to read and download.

I hope that you discover the excitement of the first Christians for sharing their faith and seeing the church grow.

Revd. Tim Eady  
Vicar of Iver
