

Fabric report September 09

St. Peter's.

1. Painting of gutters and downpipes and minor maintenance work completed on the 11th September.
2. Also at the same time rusted down pipe and swan neck replaced when unblocking down pipe at the south east corner of the building by M. James and P. Owen.
3. Infill's for Tower tours removed and stored in clock chamber for use next year.
4. General notice board in church entrance to be moved to the extension.

St. Leonard's.

1. Work still on going regards removal of rendering around the church to stop damp penetrating the building.
2. Gutter at south east corner repaired and fascia board replaced by G Jenner.
3. Tracey Goddard has given notice that she will have to step down this December as caretaker and booking secretary for St. Leonard's hall, she will be greatly missed by us all for the work she has done, but our prayers have been answered regards a replacement as Wendy and Graham Jenner have offered to take over the post from this November.

General.

All repair work has been completed on the heating systems in all our buildings.
